SCHOOL INCURSIONS AND EVENTS

MOVEMENT THAT SUPPORTS LEARNING, WELLBEING AND CONNECTION.

Health and PE programs, movement-based wellbeing experiences and memorable school events for primary and secondary schools across Victoria.

SUPPORTING VICTORIAN SCHOOLS FOR 20 YEARS

DESIGNED AROUND SCHOOLS DELIVERED WITH PURPOSE

Proactivity partners with schools across Victoria to enhance and extend their student offering through engaging Health and PE programs, movement-based wellbeing experiences and memorable school events.

Each program is designed with purpose, combining movement, learning and meaningful participation to create experiences that support student confidence, wellbeing, connection and positive attitudes towards physical activity.

From program planning and specialist facilitation to mobile equipment and delivery, Proactivity brings everything needed directly to schools, reducing the workload on teachers and making high-quality experiences easier to deliver.

WHAT SCHOOLS CAN EXPECT FROM PROACTIVITY

DESIGNED TO SUIT YOUR SCHOOL

Programs are adapted to suit year levels, student needs, curriculum priorities, wellbeing objectives and event formats, ensuring each experience is relevant to your school community.

DELIVERED WITH EXPERTISE

Specialist facilitators bring the experience, structure and energy needed to deliver high-quality programs that engage students and support positive outcomes.

EVERYTHING BROUGHT TO YOU

From mobile equipment, power and program setup to facilitation and delivery, Proactivity manages the practical elements on site, making the experience easier for schools to deliver.

PROFESSIONAL, INCLUSIVE AND COMPLIANT

Programs are designed to be accessible and engaging for a wide range of students, supported by appropriate insurance, Working with Children Checks, risk documentation and delivery standards.

THREE WAYS TO ENHANCE THE STUDENT EXPERIENCE

HEALTH AND PE

Proactivity helps schools enhance and extend their Health and PE offering through curriculum-aligned programs that bring specialist expertise, equipment and engaging movement experiences directly to students. Designed to complement existing school programs, these incursions support teachers in delivering curriculum outcomes while helping students build skills, confidence and positive attitudes towards physical activity.

WELLBEING+

Purposeful movement provides a powerful platform for students to build confidence, resilience and connection. Proactivity's wellbeing programs bring physical activity and practical learning together to complement existing school wellbeing frameworks, helping students strengthen emotional regulation, develop healthy habits and build a stronger sense of self and belonging.

SCHOOL EVENTS

Great school events create positive energy, social connection and lasting memories. Proactivity transforms school spaces through engaging, inclusive activities, innovative mobile equipment and specialist facilitation, delivering fun and memorable experiences for students, families and school communities.
